MAKING THE WORKPLACE YOUR PLACE TO CHANGE THE GAME

Porsche D. Léonce

Attorney at Law

Employment specialist and former defense attorney Porsche Léonce has launched Léonce Law, LLC, a boutique employment law advocacy and consulting firm with two offices in the metro Atlanta area. This Saturday Porsche will join Lisa on *Game Changers* as Co-Host, and the energetic and passionate attorney she is known as amongst her peers. She will discuss the founding of [Léonce Law](#) and its mission to serve working individuals. Porsche says, "I believe every individual deserves to be treated with dignity and respect, especially in the workplace where individuals commit themselves daily to their jobs in pursuit of their purpose and livelihood." She is deeply committed to protecting the workplace from discriminatory and unfair conduct in a way that permits

individuals to maintain their dignity and allow businesses to remain productive and profitable.

Additionally, [Léonce Law](#) provides comprehensive training and strategic advisement for businesses seeking information and solutions on creating optimal work environments.

Léonce Law will host a private firm launch on Wednesday, July 2, 2014, the 50th Anniversary of the passage of the Civil Rights Act of 1964. This Saturday on Game Changers Porsche will co-host the Game Changers show with more information for workplace success.

Porsche will also share on the show how she revives herself and teaches others as an avid yoga enthusiast and certified yoga instructor. She teaches community yoga classes throughout the metro-Atlanta area and specifically works with young people teaching them principles of mindfulness and self-determination through yoga and meditation. A concerned international citizen, Porsche has traveled to various countries to volunteer in disaster relief or other service-oriented projects, such as Mexico City Earthquake Disaster Relief, Feed the Children Service Trip in Kenya, Africa, Water Rights Project in Cape Town, South Africa. Porsche has also dedicated hundreds of hours of pro bono service to assisting victims of domestic violence and human trafficking petition for citizenship through the Violence Against Women Act (VAWA), U-Visa program, and asylum proceedings.

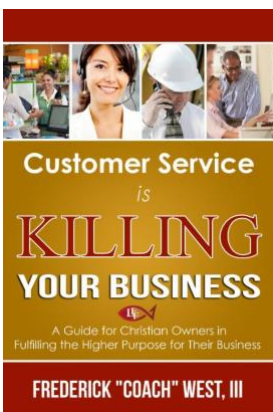

GAME CHANGERS WITH LISA FAULKNER | WAEC LOVE 860 | SATURDAYS 6PM – 7PM

Frederick, “Coach” West, III Business and Higher Purpose Coach

Frederick "Coach" West, III, author of *Customer Service is KILLING Your Business: A Christian Business Guide to Fulfilling Your Higher Purpose*, has been coaching and consulting for businesses for over 14 years. Coach West is also the Founder of [Look Faith First](#), a movement that is guiding businesses to fulfilling their Higher Purpose.

With a focus on "Client Provision," Coach West simplifies the relationship between business owners and their patrons. He helps people who want to have a higher level of impact, better marketing, and a system that can deliver at the highest degree. In short, he offers a path to success!

This Saturday Coach West will offer his practical yet life changing advice from his passion about business, faith, and people in general. Coach West will share from his newest publication, *Customer Service is KILLING Your Business: A Christian Business Guide to Fulfilling Your Higher Purpose*, he will delve into the specific things that are holding business owners; especially Christian business owners, back from achieving the purpose God has for them.

Having worked and served in Christian businesses for more than ten years Lisa is interested to hear from Coach the top myths about what it means to be a Christian Business. Game Changers will get the inside information on how Coach West says, Christians themselves are actually holding back the prosperity of the Christian Business community. Christian or otherwise, Coach West will explain how to set up your business for limitless growth, regardless of the economic climate.

Coach West has been coaching and consulting for over 14 years. He has Certifications in Business and Coaching, including Anthony Robbins Advanced Skills Training for Coaches. Listen Saturday to hear how Coach West makes the complicated simple and gets people excited about taking action!

GAME CHANGERS WITH LISA FAULKNER | WAEC LOVE 860 | SATURDAYS 6PM – 7PM

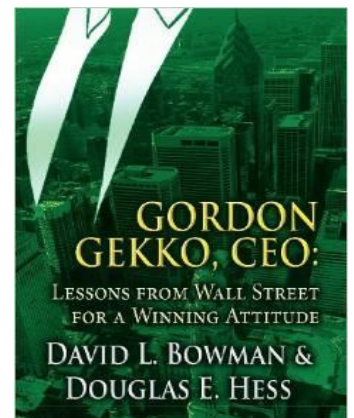

Doug Hess is the co-author of *Gordon Gekko, CEO: Lessons from Wall Street for a Winning Attitude*. Doug is a great guest for Game Changers this week sharing his insight on the right attitude to gain success whether in the work place or in life.

"Research indicates that a simple turn in your attitude will make all the difference in the world. Whether it's your health, having better relationships, or furthering your careers, attitude drives so many different aspects of our lives," says Doug. "We even found that people with positive attitudes make more money."

Doug will give advice on the right steps to take when faced with obstacles and how to take action towards gaining better opportunities.

Doug has first hand experience on how our success benefits others. He has tips on how to think a little differently about *business*. And because we all want to work smarter than harder, Doug has advice on how not to give up long-term life rewards for short-term financial wins.

Join us this week for Game Changers where we will talk work; how to navigate it; and having a full, exciting lifestyle this week on Game Changers.
